## UNITED METHODIST CHURCH

E-news | June 10, 2020

---

### This Week in Worship

Join us **ONLINE** this Sunday as we continue the *Can I Get a Witness?* series with "Witness of Peter and the Apostles."

This Sunday, we will resume streaming two services on Sundays:

**9:45am | ConneXion Worship**

**11:00am | Traditional Worship**

You can view either service on our [website](#) or on our [Facebook page](#).

#### Thank you Sunni!

Well wishes to our Office Administrator, Sunni, as she will be leaving her position at the church. Read her note:

"Due to COVID-19, I am worried about my new grandbaby going into daycare. After much prayer, I feel the right thing to do for her well-being is to stay home & take care of her so my daughter can work.

My last day will be July 3rd. My daughter returns to work the following week.

I am so happy for my time working at the church.

Sunni Richman"

# The Good News

By: *Kenny Shortsleeve*

The worst part about walking across Niagara Falls on a suspended two-inch wire has nothing to do with the raging winds, nor the heavy mist slamming your face and impeding your vision or the wire swinging a foot side to side and bobbing up and down. The constant bombarding of the wind was tough enough, but the one thing Nik Wallenda did not expect was that there was “nowhere to focus” as he made his way across the 25-minute, 1500-foot walk at a height of 184 feet.

*“I think that in our walk with Christ, there’s so many distractions in this world, trying to pull us left and right, trying to distract you... It’s about focusing on the other side—staying focused on our Lord.”*

**Nik Wallenda** (famous Christian tight rope walking artist)

Welcome to *The Good News!* Each week, look forward to a new post by one of our church leaders or members about their experiences, thoughts, and involvement at AUMC.
